"They know too much about how people think."Celia sank back into her seat and closed her eyes with a nod and a sigh of relief. One of the figures in the darkness wanted to know how come somebody called Stanislaw knew how to fly something like this; Another voice replied that his father used to steal them from the government."Really? Who?" Colman asked..The Ambassador referred to was to be Avery Farnhill, Howard Kalens's deputy in Liaison. Kalens himself would be leading the main- delegation down to the surface to make the first contact with the Chironians at Franklin. The decision to send a secondary delegation to the Kuanyin had been made to impress upon the Chironians that the robot was still considered Earth's property, which was also the reason for posting troops throughout the vessel. As a point of protocol, Wellesley and Sterm would not become involved until the appropriate contacts on Chiron had been established and the agenda for further discussion suitably prepared..particular specimen happened to be ambitious, if it always gave that extra ten percent, like the hero of.you want to talk about anything instead of just around it, I'm here."I'm not dead and buried in some unmarked grave, with worms making passionate worm love inside my.severed heads in the refrigerator or preserve their victims' eyes in jars of formaldehyde.
