The assistant's patience snapped at last. "This is ridiculous! I want to know who is in overall authority here. You must have a Director of Operations or some equivalent. Please be kind enough to--". Kalens had evidently been working on the details for some time. He recovered the support of the commercial lobby by proposing that Chironian "nursery-school economics" be excluded from the enclave, and won the professional interests over with a plan to tie all exchanges of goods and services conducted within the boundary to a special issue of currency to be underwritten by the Mayflower II's bank. The Chironians who lived and worked inside the prescribed limits would be free to come and go and to remain resident if they desired, provided that they recognize and observe Terran law. If they did not, they would be subject to the same enforcement as anyone else. If its integrity was threatened by disruptive external influences, the enclave would be defended as national territory.. "Howard Kalens, no doubt about it," Bernard Fallows was saying. "If we've only got two years to knock the place .. into shape, he's just the kind of man we need. He knows what he stands for and says so without trying to pander to publicity-poll whims. And he's got the breeding for the position. You can't make a planetary governor out of any rabble, you know." Behind him, underlying the steady rhythmic crash of the hammer, the tire iron took up a syncopated beat.. Sirocco marched smartly through the connecting ramp into the Kuan-yin, where he stepped to the left and snapped to attention while Colman and Hanlon led the guard sections by with rifles sloped precisely on shoulders, free hands swinging crisply_ as if attached by invisible wires, and boots crashing in unison on the steel floor plates.
