They lived quite nearby, on West 28th, and were interested, primarily, in the television shows they'd seen when they were growing up, about which they were very well-informed. Despite a bad first impression, due to his associating them with Maggie of the green sofa, Barry found himself liking the MacKinnons enormously, and before the next switchover he put his chair in the LOCK position. They spent the rest of the evening together, exchanging nostalgic tidbits over coffee and slices of Partyland's famous pineapple pie. At closing time be asked if they would either consider giving him an endorsement. The important thing is what you said from the first, and I'm surprised you.I know it's painful to be told that something in which one has invested intense emotion is not only bad art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scon Wilson (who electrified a Modern Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spin-rad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson doesf), and the writers of Bored of the Rings, the Lampon parody, from which came "Arrowroot, son of Arrowshirt".She threw up her hands.
