Ofcourse the benefits to get can connect that you are currently reading. And we will trouble one touse studying **Get Free Dental Casting Alloys Fb2** as among the stuff to complete. 34. The Imam Abou Yousuf with Haroun er Reshid and his Vizier Jaafer ccxcvi."There was once a merchant named Abou Temam, and he was a man of understanding and good breeding, quick-witted and truthful in all his affairs, and he had wealth galore. Now there was in his land an unjust king and a jealous, and Abou Temam feared for his wealth from this king and said, 'I will remove hence to another place where I shall not be in fear.' So he made for the city of Ilan Shah and built himself a palace therein and transporting his wealth thither, took up his abode there. Presently, the news of him reached King Ilan Shah; so he sent to bid him to his presence and said to him, 'We know of thy coming to us and thine entry under our allegiance, and indeed we have heard of thine excellence and wit and generosity; so welcome to thee and fair welcome! The land is thy land and at thy commandment, and whatsoever occasion thou hast unto us, it is [already] accomplished unto thee; and it behoveth that thou be near our person and of our assembly.' Abou Temam prostrated himself to the king and said to him, 'O king, I will serve thee with my wealth and my life, but do thou excuse me from nearness unto thee, for that, [if I took service about thy person], I should not be safe from enemies and enviers.' Then he addressed himself to serve the king with presents and largesses, and the king saw him to be intelligent, well-bred and of good counsel; so he committed to him the ordinance of his affairs and in his hand was the power to

bind and loose..The news came to the rest of the kings; so they [flew after him and] overtaking him, found him full of trouble and fear, with fire issuing from his nostrils, and said to him, 'O Sheikh Aboutawaif, what is to do?' Quoth he, 'Know that Meimoun hath carried off Tuhfeh from my palace and outraged mine honour.' When they heard this, they said, 'There is no power and no virtue but in God the Most High, the Supreme! By Allah, he hath ventured upon a grave matter and indeed he destroyeth himself and his people!' Then the Sheikh Iblis gave not over flying till he fell in with the tribes of the Jinn, and there gathered themselves together unto him much people, none may tell the tale of them save God the Most High. So they came to the Fortress of Copper and the Citadel of Lead, (238) and the people of the strongholds saw the tribes of the Jinn issuing from every steep mountain-pass and said, 'What is to do?' Then Iblis went in to King Es Shisban and acquainted him with that which had befallen, whereupon quoth he, 'May God destroy Meimoun and his folk! He thinketh to possess Tuhfeh, and she is become queen of the Jinn! But have patience till we contrive that which befitteth in the matter of Tuhfeh.' Quoth Iblis, 'And what befitteth it to do?' And Es Shisban said, "We will fall upon him and slay him and his people with the sword.'.There was once a man of the Arabs who had a number of sons, and amongst them a boy, never was seen a fairer than he of favour nor a more accomplished in loveliness, no, nor a more perfect of wit. When he came to man's estate, his father married him to the daughter of one of his uncles, and she excelled not in beauty, neither was she praiseworthy of attributes; wherefore she pleased not the youth, but he bore with her, for kinship's sake..Then, in his anger, he walled up the door of the granary with clay, and by the ordinance of God the Most High, there came a great rain and descended from the roofs of the house wherein was the wheat [so that the latter rotted]; and needs must the merchant give the porters five hundred dirhems from his purse, so they should carry it forth and cast it without the city, for that the smell of it was noisome. So his friend said to him, 'How often did I tell thee thou hadst no luck in wheat? But thou wouldst not give ear to my speech, and now it behoveth thee to go to the astrologer and question him of thy star.' Accordingly the merchant betook himself to the astrologer and questioned him of his star, and the astrologer said to him, 'Thy star is unpropitious. Put not thy hand to any business, for thou wilt not prosper therein.' However, he paid no heed to the astrologer's words and said in himself, 'If I do my occasion, (103) I am not afraid of aught.' Then he took the other part of his money, after he had spent therefrom three years, and built [therewith] a ship, which he loaded with all that seemed good to him and all that was with him and embarked on the sea, so he might travel..One day, Ishac let bring all who were with him of slave-girls from the house of instruction and carried them up to Er Reshid's palace, leaving none in his house save Tuhfeh and a cookmaid; for that he bethought him not of Tuhfeh, nor did she occur to his mind, and none of the damsels remembered him of her. When she saw that the house was empty of the slave-girls, she took the lute (now she was unique in her time in smiting upon the lute, nor had she her like in the world, no, not Ishac himself, nor any other) and sang thereto the following verses:.Then he girt his middle with a handkerchief and entering, saluted the young merchant, who said to him, 'Where hast thou been?' Quoth he, 'I have done thine errands;' and the youth said, 'Go and eat and come hither and drink.' So he went away, as he bade him, and ate. Then he washed and returning to the saloon, sat down on the carpet and fell to talking with them; whereupon the young merchant's heart was comforted and his breast dilated and he addressed himself to joyance. They abode in the most delightful life and the most abounding pleasance till a third part of the night was past, when the master of the house arose and spreading them a bed, invited them to lie down. So they lay down and the youth abode on wake, pondering their affair, till daybreak, when the woman awoke and said to her companion, 'I wish to go.' So he bade her farewell and she departed; whereupon the master of the house followed her with a purse of money and gave it to her, saying, 'Blame not my master,' and made his excuse to her for the young merchant..? ? ? ? ? Accuse me falsely, cruelly entreat me; still ye are My heart's beloved, at whose hands no rigour I resent..So she gave him the lute and he forewent her, till he came to the house of easance, and behold, therein was a door and a stairway. When Tuhfeh saw this, her reason fled; but Iblis cheered her with discourse. Then he descended the stair and she followed him to the bottom thereof, where she found a passage and they fared on therein, till they came to a horse standing, Teady saddled and bridled and accoutred. Quoth Iblis, '[Mount], in the name of God, O my lady Tuhfeh;' and he held the stirrup for her. So she mounted and the horse shook under her and putting forth wings, flew up with her, whilst the old man flew by her side; whereat she was affrighted and clung to the pommel of the saddle; nor was it but an hour ere they came to a fair green meadow, fresh-flowered as if the soil thereof were a goodly robe, embroidered with all manner colours..35. The Lover who feigned himself a Thief to save his Mistress's Honour cxcvii.? ? ? ? ? "How many a cup with bitterness o'erflowing have I quaffed! I make my moan of woes, whereat it boots not to repine."
