Once, she left the TV and came to Tom, where he sat talking with Paul. "It's like Gunsmoke and The Monkees are next to each other on the TV, both at the same time. But the Monkees, they can't see the cowboys-and the cowboys, they can't see the Monkees." Freed for the moment from the need to be strong for her sleeping Angel or for Wally,

Celestina turned to Tom Vanadium, saw in his gray eyes both the sorrow of the world and a hope to match her own, saw in his ruined face the promise of triumph over evil, leaned against him for support, and finally dared to cry. Onto its roof now, the Pontiac spun as it slid, grinding loudly against the blacktop, and regardless of how determinedly Agnes held on, she was being pulled out of her seat, toward the inverted ceiling and also backward. Her forehead knocked hard into the thin overhead padding, and her back wrenched against the headrest. "As long as the case was open and you were the sole suspect," said the lawyer, "they couldn't negotiate an out-of-court settlement with you. But they were afraid that if eventually they couldn't prove you killed her, then they'd be in an even worse position when a wrongful death suit finally went before a jury." So keep moving. Don't get hung up on the disgusting aftermath. Keep whistling along like a runaway train. Clean up, clean out, roll on. In those days they had no fixed names for the various kinds and arts of magic, nor were the connections among those arts clear. There was-as the wise men of Roke would say later-no science in what they knew. But Hound knew pretty surely that his prisoner was concealing his talents. "You don't get the heebie-jeebies," Max said. "You give 'em. Tell me what's wrong." In reality, it had been a homely device, a mere box. In memory, it seemed ominous, charged with the evil portent of a nuclear bomb. Leaning forward from his armchair, white hair as radiant as the wings of cherubim, Obadiah waved one misshapen hand over the deck, never closer than ten inches to the cards. "Now please spread them out in a fan on the table, facedown." ... That discord sets up lots of other vibrations, some of which will return to you in ways you might expect ... Dinner was cooking in the upper of the two ovens. He switched the bottom oven, setting it at warm, and dropped open the door. He warily surveyed those around him as he walked, and looked over his shoulder from time to time. On one of these backward glances, he was unnerved but not surprised to see Vanadium's specter. A moment later, in the corridor, as Nolly locked the door to his suite, Kathleen linked her right arm through Vanadium's left. "Do I call you Detective Vanadium, Brother, or Father?" Police identified Junior as the prime suspect, and newspapers featured his photograph in most stories. They referred to him as "handsome," "dashing," "a man with movie-star good looks." He was said to be well known in San Francisco's avant-garde arts community. He got a thrill when he discovered that Sklent was quoted as calling him "a charismatic figure, a deep thinker, a man -with exquisite artistic taste so clever he could get away with murder as easily as anyone else might get away with double-parking." "It's people like him," Sklent continued, "who confirm the view of the world that informs my painting." In the sermon that brought him a moment of fame that he'd found more uncomfortable than not, Daddy had used the life of Bartholomew to illustrate his point that every day in every life is of the most profound importance. Bartholomew is arguably the most obscure of the twelve disciples. Some would say Lebbaeus is less known, some might even point to Thomas the doubter. But Bartholomew certainly casts a shadow far shorter than those of Peter, Matthew, James, John, and Philip. Daddy's purpose in proclaiming Bartholomew the most obscure of the twelve was then to imagine in vivid detail how that apostle's actions, seemingly of little consequence at the time, had resonated down through history, through hundreds of millions of lives-and then to assert that the life of each chambermaid listening to this sermon, the life of each car mechanic, each teacher, each truck driver, each waitress, each doctor, each janitor, was as important as the resonant life of Bartholomew, although each dwelt beyond the lamp of fame and labored without the applause of multitudes. He wasn't entirely sure what all he hoped to find. Perhaps an envelope or a cash box with folding money, which a fleeing murderer would surely pause to take with him. Suspicions might be raised if he left it behind. Perhaps a savings-account passbook. Junior realized that thick drool oozed out of the right corner of his mouth. Shakily, he raised one hand to wipe his face. If Agnes knew that Jacob had been helping her game, she might never play cards with him again. She would not approve of what he had done. Consequently, his great skill as a card mechanic must be forever his secret. He needed to keep moving, conduct the search, find the watch, and get the hell out of here, but he couldn't stop staring at the musician. Something about the cadaver made him nervous-aside from the fact that it was dead and disgusting and, if he was caught with it, a one-way ticket to the gas chamber. Edom observed, amazed, as Agnes chatted up their host, going from Mr. Sepharad to Obadiah, from the doorstep to the living room, the pie delivered and accepted, coffee offered and served, the two of them pleased and easy with each other, all in the time that it would have taken Edom himself to get up the nerve to cross the threshold and to think of something interesting to say about the Galveston hurricane of 1900, in which six thousand had died. This didn't seem strange to him. Among the many things that no longer mattered were the concepts of distance and time. Unobtrusively, Junior followed the musician across the large front room, but by an indirect arc, using the babbling bourgeoisie for cover. Although the girl was unable to articulate why she preferred not to have her mother at her side, they all understood the tumult in her heart. She couldn't bear to subject her gentle and proper mother to the shame and embarrassment that she herself felt so keenly and that she imagined would grow intolerably worse in the hours or days ahead, until and even after the birth. "It's all right," Tom assured her. To Angel, he said, "No, I'm not sad. And you know why?" While they waited for the room-service waiter to arrive, Tom got from Paul a detailed report of Enoch Cain's attack on the parsonage. He had heard most of it from friends in the state-police homicide division, which was assisting the Spruce Hills authorities. But Paul's account was more vivid. The ferocity of the assault convinced Tom that whatever the killer's twisted motives might be, Celestina and her mother-and not least of all Angel-were in danger as long as Cain roamed free. Perhaps as long as he lived. Barty sat at the kitchen table, reading *Between Planets*. From time to time, Agnes discovered him watching her at work or studying Maria's face and her dexterous hands. The physician saw the look and understood it. A blush pinked his long, pale face. "Celestina, you're quite beautiful, and I'm sure you've learned to be wary of men, but I swear that my intentions are entirely honorable." The door was falling shut. With no more sound than the day makes when it turns to night, the detective had gone. Neddy favored a quick greeting, two curt pumps, but Junior held fast after the handshake was over. He didn't grind the musician's knuckles, nothing so crude, just held on pleasantly but firmly. His intention was to confuse and further rattle the man, taking advantage of his obvious dislike of having his personal space encroached upon, in the hope that Neddy would reveal why he'd been watching Junior so intently from across the room. As though frightened of the gentle certainty in Celestina's eyes, the doctor turned away from him, and toward the window once more. I believe the universe is sort of like an unimaginably vast musical with an infinite number of strings. After the amusement park, no hospital for the Pie Lady. With Wally near, she had a doctor all her own, capable of giving her the anticancer drugs and transfusions that she required. While radiation therapy is prescribed for acute lymphoblastic leukemia, it is much less useful to treat myeloblastic cases, and in this instance, it wasn't deemed helpful, which made treatment at home even easier. Speaking of bosoms, everywhere in the loft were braless girls in sweaters and miniskirts, braless girls in T-shirts and miniskirts, braless girls in silk-lined rawhide vests and jeans, braless girls in tie-dyed sash tops, with bared midriffs, and calypso pants. Lots of

guys moved through the crowd, too, but Junior barely noticed them..Junior released Neddy and, letting him slide down the wall to the floor, returned to the door to lock it. Reaching for the latch, he suddenly expected the door to fly open, revealing Thomas Vanadium, dead and risen. The ghost didn't appear, but Junior was shaken by the mere thought of such a supernatural confrontation in the middle of this crisis..Delighted to be dating someone who lived neck-deep in culture especially after two months with Tammy Bean, the money maiden. Junior was surprised that he didn't score with Frieda on the first date. He was usually irresistible even to women who weren't sluts..Although she would have felt ridiculous phrasing this question in these words to any other three-year-old, no better way existed to ask it of her special son: "Kiddo ... do you realize you're speaking of your dad in the present tense?".He arrived at the open door, grinning. No Cheshire-cat grin, hanging disembodied on the air, teeth without tabby. Grin with full Barty.."Get this through your head, you shit-for-brains. I lost a daughter, a precious daughter, my Naomi, the light of my life."..At eleven o'clock Saturday morning, having just settled in the hotel after arriving from St. Mary's, they were waiting for the SFPD to deliver suitcases of clothes and toiletries that Rena Moller, Celestina's neighbor, had packed according to her instructions. While waiting, the three of them took an early lunch-or a late breakfast-at a room service table in the living room.."I want you to adopt the baby." Before they could react, she hurried on: "I won't be twenty-one for four months yet, and even then they might give me trouble about adopting, even though I'm her aunt, because I'm single. But if you adopt her, I'll raise her. I promise I will. I'll take full responsibility. You don't have to worry that I'll regret it or that I'll ever want to drop her in your laps and escape the responsibility. She'll have to be the center of my life from here on. I understand that. I accept it. I embrace it."..Instead, he encountered an elderly woman getting out of a red Pontiac with a fox tail tied to the radio antenna. A quick glance around confirmed that they were unobserved, so he clubbed her on the back of the head with the butt of his 9-mm pistol..Maria, after a single sip of Chardonnay, fled to the kitchen, ostensibly to check on the apricot flan that she'd brought, but in reality to press a cool and slightly damp dishtowel against her eyes..Through the remainder of his dinner, he was entirely future focused, the past put safely out of mind. UntilThe two men detached and rolled up the pleated green skirt that hung from the rectangular frame of the graveyard winch on which the casket was suspended. Green, rather than black, because Naomi loved nature: Junior had been thoughtful about the details of the service..Softened by a Shantung shade, the lamplight was golden on his small smooth face, but sapphire and emerald in his eyes..The strand was inclined toward the lake. He closed the door and got out of the way as the Studebaker rolled forward, gathering speed..She protested that her ruined body had neither any comforts to offer a man nor the strength to be a bride..Junior took two steps toward him, sighting the gun on his face. "Why should I be afraid of a stumbling blind boy no bigger than a midget?".Nellie found the strength to rise, but having risen, she was unable to speak. Her mouth shaped words, but her voice deserted her.."He's an attorney, and this grieving husband comes to him with a big liability case. There's money to be made."..sport shirt just for no reason at all, because she thought he'd look nice in it?".Although a cold current crackled along the cable of her spine, Agnes smiled at the card. She was determined to change the dark mood that had descended over them..For a moment, Junior drew a blank on Renee. Reluctantly, he trolled the past and fished up the painful memory: the gorgeous transvestite in the Chanel suit, heir or heiress to an industrial-valve fortune..Lientery's work met the criteria of great art, about which Junior had learned in art-appreciation courses. It undermined his sense of reality, left him wary, filled him with angst and with loathing for the human condition, and made him wish he hadn't just eaten dinner..Earlier in the week, Junior had looked up Thomas Vanadium in the telephone directory. He expected the number to be unlisted, but it was published. What he wanted more than a number was an address, and he found that as well..WALTER PANGLO, the only mortician in Bright Beach, was a sweet tempered wisp of a man who enjoyed puttering in his garden when he wasn't planting dead people. He grew prize roses and gave them away in great bouquets to the sick, to young people in love, to the school librarian on her birthday, to clerks who had been polite to him.."It sure is," Barty said. When only a mortified silence followed his remark, he added: "Gee, I thought that was kinda funny."..Grace, proving again the aptness of her name, said the one thing most likely, in time, to bring true peace to Celestina. "Remember Bartholomew."..Junior was vigilant. He took note of all those who approached the piano, whether they dropped money in the fishbowl or not..The water shut off, and Junior heard the ratcheting noise of a paper-towel dispenser.
