"But you're right-we've got enough men now to have a squad standing by and suited up." Fate possessed the sharper teeth, the stronger jaws..Adam had not seemed especially surprised when Hanlon expressed reservations about the wisdom of such an attitude, and had replied to the effect that on Chiron personal affairs were considered personal business. Some couples might choose to remain exclusively committed to each other and their family, others might not, and it wasn't a matter for society or anybody else to comment on. Quarrey sighed and shook her head. "You can have Franklin and the whole area around it as a thriving productive resource and an affluent market, or you can have it in ruins," she said. "Given the choice, which would you prefer? Well, it's not as if we didn't have the choice, is it? We have.".. "You do. Don't you like it when your team wins in the Bowl? Why do you work hard at school? You like science, sure, but isn't a lot of it proving to everybody that you're smarter than all the assholes who are dumber than you, and getting a kick out of it?
