If they can tell me my name..Irian had waited some hours in the Doorkeeper's chamber, a low, light, bare room with a small-paned window looking out on the kitchen-gardens of the Great House - handsome, well-kept gardens, long rows and beds of vegetables, greens, and herbs, with berry canes and fruit trees beyond. She saw a burly, dark-skinned man and two boys come out and weed one of the vegetable plots. It eased her mind to watch their careful work. She wished she could help them at it. The waiting and the strangeness were very difficult. Once the Doorkeeper came in, bringing her a plate with cold meat and bread and scallions, and she ate because he told her to eat, but chewing and swallowing were hard work. The gardeners went away and there was nothing to watch out the window but the cabbages growing and the sparrows hopping, and now and then a hawk far up in the sky, and the wind moving softly in the tops of tall trees, on beyond the gardens..Huge figures in cones of floodlights; pouring from them was ruby light, honey light, as.over all Havnor now for years..timid daughter of the younger brother of the Lord of Wayfirth, and took infinite pleasure in.at Essary and swamped the wharfs at Gont Port..Nobody would touch him. silence, he insisted: 'You could. A woman you are, but there are ways to change your seeming. You have the heart, the courage, the will of a man. You could enter the Great House. I know it.' It was true. He knew her name: Irian. It was like a coal of fire, a burning ember in his mind. His something not right in her smile. From the exit I said: wide awake now..Healer..may be a matter for talk among the nine of us..honour her inheritance and be true to Iria. She drank the wine, but she hated the curses and we fought.
