"About all he was good with outside things like that was cards. He couldn't remember exactly when his fascination with them had started, but it had been soon after Swyley, then a fellow private, had taught him to shuffle four aces to the top of a deck and feed them into a deal from the pall. Finding to his surprise that he seemed to have an aptitude, Driscoll had borrowed a leaf from Colman's book and started reading up about the subject. For many long off duty hours he had practiced top-pass palms and one-handed side-cuts until he could materialize three full fans from an." "The Chironians didn't kill Howard," Celia said. "I did." A silence descended like steel doors slamming down around the room. Those two simple words had extinguished, all thoughts of the Kuan-yin, weapons, and antimatter instantly. Every head turned disbelievingly to Celia as she sat staring ahead. Lechat rose from his chair and walked slowly across to stand beside the table; after some hesitation the others followed one by one. Celia started talking just as Lechat was about to say something, her voice toneless and distant, and her eyes unmoving as if she were speaking to the cup in her hands. "I couldn't have spent my life with a man who had closed his mind to reality. You can't know what it was like. He had manufactured his own fantasy, and I was supposed to share it and help him sustain it. It was impossible." She paused to gulp some of the coffee. "So, the thing with

Now he wants only to move on?and quickly..bathroom break, they are intent on getting away from flying bullets..Of course it is., Jay sighed wearily. "I wouldn't just walk in with it like this if I'd stolen it or something, would 17". "Guard detail, file left and right by sections," Sirocco said at the front. "Section leaders forward." 'He moved out into the aisle, where the floor had folded itself into a steep staircase to facilitate fore-and-aft movement, and climbed through into the side-exiting lock chamber with Colman and Hanlon behind him while Red and Blue sections formed up in the aisles immediately to the rear. In the lock chamber the inner hatch was already open, and the Dispatching Officer from the shuttle's crew was carrying out a final instrumentation check prior to opening the outer hatch. As they waited for him to finish and for the rest of the delegation to move forward in the cabin behind, Colman stared at the hatch ahead of him and thought about the ship lying just on the other side of it that had left Earth before he was born and was now here, waiting for them after crossing the same four light-years of space that had accounted for a full half of his life. After the years of speculations, all the questions about the Chironians were now within minutes of being answered. The descent from the Mayflower II had raised Colman's curiosity to a high pitch because of what he had seen on the screen. For despite all the jokes and the popular wisdom, one thing he was certain of was that the engineering and structural modifications that he had observed on the outside of the Kuan-yin had not been made by irresponsible, overgrown adolescents.."What have we achieved?" Borftein asked contemptuously.
