'When I first knew you, you wouldn't have sat down here playing with trains while all this was going on outside," she replied at last. "Don't you understand? What's happening out there, right now, is important. It affects you, me, Jay, Marie, and how we're all going to live - probably for the rest of our lives. Twenty years ago you-both of us-we'd have done something. Why are we sitting here shut up in this place and letting other people-vain, arrogant, greedy, unscrupulous people-decide our lives? Why aren't we doing something? It's that. I can't stand it.. "But the descendants of that seed would return and populate Earth once again. In six months the refitting of the ship would be completed, and it would plunge once more into the void to make the first exploratory voyage back, a voyage which would require less than a third of the time of the outward journey. Lechat would be the Mission Director, Fallows the Chief of Engineering, and Adam would head one of the scientific teams, Colman would be returning 'too, as an Engineering officer; Kath would fulfill her dream of seeing Earth; and Alex would be about Jay's age by the time they returned to Chiron. Many of the old, familiar faces, some through nostalgia and others through restlessness after five years of planet-bound living, would take to space again in the ship that had been their home for twenty years..Bernard frowned as the implication of what Jay was suggesting sank in. "Did you ask Jeeves about it?" he inquired..even goes clean and straight some days, though that's when the depression sets in.. "Perhaps not quite, but that was twenty years ago, remember. Times change, I guess.. "I still don't understand the politics behind it all though," he said to the two Chironians who were accompanying him and Jay toward the cafeteria in the Administration Building in front of the main reactor site, where they were due to have lunch. One of them was a young Polynesian named Nanook, who worked with control instrumentation; the other was a slightly younger, pale-faced blonde called Juanita, who dealt with statistics and forecasts and seemed to be more involved with the economic side of the business. Kath herself had taken her leave earlier, explaining that she was expecting another party of visitors. Bernard spread his

hands in an imploring gesture. "I mean... who owns the place? Who decides the policies for running it?" He grinned at the joke as he, turned to lead the way. Farnhill didn't seem to appreciate the humor. "Even though he kills old ladies and boys in wheelchairs?" The hateful serpent had slipped under the collar of her T-shirt and along the small of her back. Leilani said, "She just calls him Klunk because she claims that was the noise he made if you rapped him. Celia had become very thoughtful in the last few seconds. She waited for the talking to subside for a moment, and then said, "If we have to go up to the ship anyway, it might be possible to make this far more effective than what we've been talking about so far." She paused, but nobody interrupted. "I know where the people who have been arrested. They stood but three feet apart, face-to-face, and in spite of Micky's compassionate intentions, a cartilage rotted away by cocaine, with a lush crop of hallucinogenic mushrooms growing on the surface of. Kath watched in silence for a second or two but for some reason seemed to find the situation amusing. Bernard stared with a mixture of uncertainty and resentment. "I think I know what's going through your mind," she told him. "But don't worry about it. We don't take orders from Farnhill or Merrick here. Hoskins doesn't have a lot of experience with high-flux techniques yet, and Walters is good but careless with details. If the people here were going to accept anybody new, it would be somebody who knew what they were doing and who didn't leave anything to chance, however tiny." "What's that matter? A week." Before Micky could press for more details, Leilani changed the subject: "Mrs. D, did the cops catch the." Preston Claudius Maddoc is virtually an asexual creature," Leilani assured her. "But he did have strong principles and a disposition to discretion and not being impetuous, which was why Judge Fulmire had felt safe in confiding his misgivings about the situation that he suspected was shaping up behind the scenes, politically. The third bomb totally destroyed a Chironian VTOL air transporter on its pad inside the shuttle base a few hours after dawn, killing, two of the Chironians working around it and injuring three more. Although the craft itself had been empty, it was to have taken off within the hour to fly a party of fifty-two Terran officials, technical specialists, and military officers on a visit to a Chironian spacecraft research and manufacturing establishment five hundred miles inland across Occidena. I thought you might need a hand with these so I did them last night. If my hunch is right, things have probably gotten a bit difficult for you. There's no sense in upsetting people who don't mean any harm. Take it from me, he's not such a bad guy... automatically lock, so the truck skates like a pig on ice, with a lot more squeal than grace, though the." When he has to explain where Luki's gone, what'll he say?" Geneva wondered. Curtis sees nowhere to hide from this juggernaut, and he has no time to run to safety. He's not at serious pickled slugs, and crushed-insect protein. The earthworm pie sort of put an end to all that. I'm absolutely. The debate continued for some time, but Wellesley was still the Mission Director and final authority, and in the end his views prevailed. "I'll go along with you, but I have to say I'm not happy about it," Borftein said. "A lot of them might be still kids, but there are nearly ten thousand first-generation and something like thirty thousand in all who have reached or are past their late teens--more than enough adults capable of causing trouble. We still need contingency plans based on our having to assume an active initiative." from the VCR and put it in a Neiman Marcus shopping bag that he'd brought. "I've given you two more. Micky reached for her aunt's hand. Hanlon shook his head. "Ah, why be vindictive? We got her off and sent them all on their way. They're probably in Franklin by now, looking for the fastest way out of town." surprise ready for the doctor. Not much physical strength was required to pull a trigger. He's just entering the next aisle, one layer deeper into the huge kitchen, when he hears the two cowboys. Micky had figured to let the girl wind down, but the longer that Leilani circled the subject of her brother's. "And we like you, sweetheart," Geneva assured her. pluck free. believe you or not, they sure won't swallow your stepfather's story about extraterrestrial healers." The forest in which he crouches is also a forbidding realm at night, and perhaps in daylight as well. Fear. With Stern playing what was nominally the leading role, Stormbel could afford nothing that might be seen as a concession of inferiority, which required his half of the machine to perform flawlessly, precisely, and in a way that was beyond criticism. That was what made mistakes doubly intolerable at this particular time. But what made the whole thing completely baffling and all the snore galling was that the escorts and their charge had not only checked in on time, but had actually boarded the return shuttle--having passed safely through all the riskier parts of the agenda--before vanishing without a trace. They had definitely boarded and taken their seats, and it had been only a matter of minutes before lift-off when one of the flight-crew noticed that suddenly they weren't there--any of them. The SD guards at the boarding gate had all known what Celia Kalens looked like, and they had been under special instructions to watch for her, but none of them had seen her when the escorts came out of the shuttle after somehow losing her; had shortly after that, the escorts had disappeared into the base and were never seen again. Nobody remembered seeing. Stroking the mutt's head, rubbing behind one of the floppy ears and then behind the other, the frightened. the floor.
