"Selene isn't the evil genius you think, Amanda." My voice sounded thin.."We have been studying this problem for some time now, and we believe there is a solution. It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He. spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage. The people would not be required either during the voyage or in the survey phase, since ' machines are perfectly capable of handling everything con-.What was marvelous was the afternoon with Amanda clinging to my arm and greeting each new offering with a sigh of pleasure or gasp of delicious dismay. In the course of it she stopped calling me Mr. Gordon, too, and began saying Matthew. I would have preferred Matt, but when I brought that up she dropped her eyes and said:his self-confidence. But the other voice wasn't impressed, and so instead of going straight from Center St..She stirred in my arms. I felt a ripple of tension in her body. She lifted her head and kissed me hard. I grabbed her shoulders and held her off at arm's length to look at her..It was a small story on page three, not very exciting or newsworthy. Last night a man named Maurice Milian, age 51, had fallen through the plate-glass doors leading onto the terrace of the high-rise where he lived. He had been discovered about midnight when the people living below him had noticed dried blood on their terrace. The only thing to connect the deaths of Harry Spinner and Maurice Milian was a lot of blood flowing around. If Milian had been murdered, there might be a link, however tenuous. But Milian's death was accidental?a dumb, stupid accident It niggled around in my brain for an hour before I gave in.
