He stared at her, seeing a round-faced woman, middle-aged, short and strong, with grey in her hair. Or to have any powers. He gave a sharp look at his staff, which leaned in the corner behind the door. He put the eggs in the larder, ate an apple quickly because he was hungry, and took his staff. It was yew, bound at the foot with copper, worn to silk at the grip. Nemmerle had given it to him. "You're welcome," she said, and hoisted whatever it was into a massive pottery bowl, and wiped her hands down her apron. He knew nothing at all about women. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. They were not men. Still it rankled him that Diamond had let him down flat, without a word of thanks or apology. So much for good manners, he thought. Erreth-Akbe's gifts in magic became apparent when he was still a boy. He was sent to the court to the town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove. When he got up at last, he wondered how old he was, and looked at his hands and arms to see if he these old mines. And he wants it. So it's best for us that we find it. Now I'll walk you out. Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizard's power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm. larger than she was, enormously larger. She could reach out one finger and destroy him. He stood. "Memory, memory," Hemlock said. "Talent's no good without memory!" He was not harsh, but he was unyielding. Diamond had no idea what opinion Hemlock had of him, and guessed it to be pretty low. The wizard sometimes had him come with him to his work, mostly laying spells of safety on ships and houses, purifying wells, and sitting on the councils of the city, seldom speaking but always listening. Another wizard, not Roke-trained but with the healer's gift, looked after the sick and dying of South Port. Hemlock was glad to let him do so. His own pleasure was in studying and, as far as Diamond could see, doing no magic at all. "Keep the Equilibrium, it's all in that," Hemlock said, and, "Knowledge, order, and control." Those words he said so often that they made a tune in Diamond's head and sang themselves over and over: knowledge, or-der, and contro-----The Creation of Ea is the foundation of education in the Archipelago, By the age of six or seven. "Of course I'll bring my band," Tarry said, "fat chance I'd miss it! You'll have every tootler in the west of the world here for one of your dad's parties." And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage. "I'm a finder," he said. "And a seeker." "Why did you break your Rule for me? Was it fair to me, who can never be what you are?" "And sometimes witches and sorcerers will say that they've summoned the dead to speak through them. Maybe a child the parents are grieving for. In the witch's hut, in the darkness, they hear it cry, or laugh..." Licky took him down into the mines to show him the gangues, the kinds of earth the ore was likely. They both came to her. "The Master Changer of Roke: Irian of Way," said the Doorkeeper. There was no warmth and no light. Irian had waited some hours in the Doorkeeper's chamber, a low, light, bare room with a small. These legends are best preserved in Hur-at-Hur, the easternmost of the Kargad Lands, where dragons have degenerated into animals without high intelligence. Yet it is in Hur-at-Hur that people keep the most vivid conviction of the original kinship of human and dragon kind. And with these tales of ancient times come stories of recent days about dragons who take human form, humans who take dragon form, beings who are in fact both human and dragon. "No, sir. "Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it.
