Hence the question probably concerned him more than anybody else. Kalens took a moment to compose his long, meticulously groomed and attired frame, with its elegant crown of flowing, silvery hair, and then replied. "I agree with John that a rigid rule needs to be asserted early on . . . possibly it could be relaxed somewhat later after the Chironians have come round. However, Mark has a point too. We should avoid the. risk of hostilities if we can, and think of it only as a last resort. We're going to need those resources working for us, not against. And they're still very thin. We can't permit them to be frittered away or destroyed. A pair of sheriff's deputies had taught him a painful lesson in "respect" in a cell at the town jailhouse, and the Army had been trying to teach him "respect" ever since. But that had been Earth-style respect. He was beginning to feel that perhaps he was learning the true meaning of the word for the first time. True respect could only be earned; it couldn't be extorted. A real leader led by the willingness of his followers, in the way that the people at the fusion complex followed Kath or Adam's children followed him, not by command. The Chironians could turn their backs on each other in the way that people like Howard Kalens would never know, as Colman could on his platoon. These were his kind of people. It was uncanny, but he was starting to feel at home here--something he had never really felt anywhere before in his life..sleaziest tabloid.."Worth considering for what? You're not saying he'd make an engineering officer, surely?."Don't be so sensitive. You are a guest, and we don't charge guests for dinner or make them work it."Sure." Sirocco tossed up a gauntleted hand as if the answer were obvious. "Guys who don't like it but have to do it get mad. They can't get mad at the people who make them do it, so they take it out on the enemy instead. That's what makes them good. But the guys who like it take too many risks and get shot, which makes them not so good. It's logical."..Sighing, Micky got up to retrieve a second beer from the refrigerator..Farnhill stopped him with a curt wave of his hand. "This spectacle has gone far enough," he said. As they climbed inside, Jay entered a code into the~ panel by the door to specify their destination in the Jersey module, and they sat down on an empty pair of facing seats as the capsule began to move. After a short run up to speed, it entered a tube to exit from Maryland and passed through one of the spherical intermodule housings that supported the Ring and contained the bearings and pivoting mechanisms for adjusting the module orientations to the ship's state of motion. For a brief period they were looking out through a transparent outer shell at the immensity of the Spindle, seemingly supported by a web of structural booms and tie-bars three miles above their heads, with the vastness of space extending away on either side, and then they entered the Kansas module where the scene outside changed to animal grazing enclosures, level upon level of agricultural traits, fish farms, and hydroponics tanks..She whips around ? no older than she is yellow ? and trots away, not at a full run, but at a pace that."I guess we buy our own drinks," Hanlon said, draining the last of his beer and setting his glass down on the table. "Looks like it," Stanislaw agreed..porch, brick steps lead up to a weathered plank floor. He creaks and scrapes to the door, which opens."Aw, cut it out, Hoover," Rastus told the robot. "These people have only just arrived. They've got more than enough to do." He looked at the Terrans. "This is Hoover. He runs the place. Don't pay too much attention or you'll end up buried in junk up to your eyes."."That's how they get rich," Pernak said. "By being good at what they do and getting better. Who but a crazy would do anything and stay poor by choice?".Noah spoke her name, but as he expected, Laura didn't respond.. "Some things were said tonight, some other things suggested." "I wish you'd never heard them."..Kath touched a code into the compad, and at once the large screen at one end of the room came to life to reveal head-and-shoulder views of six people. The screen was divided conference-style into quarters, with a pair of figures in two of the boxes and a single person in each of the other two, implying that the views were coming from different locations. Kath noticed the concerned look that flashed across Bernard's face. "It's all right," she told him. "The channels are quite secure..Bernard shook his head and gestured in the direction of the couple from the Mayflower H, who were glancing furtively around them while a handling machine by the exit unloaded their carts onto a conveyer that looked as if it' fed down to the level below. "But look what's happening," he said. "How long can you keep up with that kind of thing? What happens when everyone starts acting like that?". "No. My father just wants to see the gore."..another what's-happening-what's-up-what's-this-all-about..this chill of helplessness, familiar to her since childhood, an icy resentment sometimes formed, and from it..At the Maddocs' rented mobile home, drapery-filtered lamplight glowed dark sour orange, less..Jean looked at him with a worried face. "Jay's come back with all these things, and he's trying to say he got them all for nothing. He's claiming that anyone can just help themselves. As Stormbell was about to repeat the order to clear the room, Borftein looked at Sterm, closed his eyes for a moment, and then raised a hand and shook his head. Sterm looked at him questioningly. "I m not sure I even know what's happened," Borftein said. "It's been too sudden. Just what do you think you're going to do?" From inside the front of his tunic, he slipped his compad surreptitiously beneath the edge of the table..Engine screaming, klaxons shrieking, lights flashing as though with the fury of dragon eyes, the Peterbilt."Port Norday?". "True, once they're separated," Celia agreed. "But how many more killings would we have to see before that was achieved?".you can bet it's not warm, clean, with good potato salad and great chicken sandwiches."."It's impossible!" Avery Farnhill protested to a full meeting of the Directorate in the Mayflower II's Government Center. "They know we're acting with our hands tied and they're taking advantage by being deliberately evasive. The only way we'll get anywhere is if you allow us to get tougher."
