As his drying tears became stiff on his cheeks, Junior decided that he would most likely have to kill Vanadium to be rid of him and fully safe. No problem. And in spite of his exquisite sensitivity, he was convinced that wasting the detective would not trigger in him another bout of vomiting. If anything, he might pee his pants in sheer delight. Grace declined food, but Tom ordered for her, anyway, selecting those things that by now he knew Celestina liked, guessing that the mother's taste had shaped the daughter's. Library of Congress Cataloging-in-Publication Data Le Guin, Ursula K., 1929-. Max hung up. The Ansaphone made a series of small robot-mouse noises and then fell silent. Recalling how the title of the exhibition had resonated with him when first he'd seen the gallery, brochure, Junior felt certain now that a tape-recorded early draft of this sermon was the kinky "music" that accompanied his evening of passion with Seraphim. He couldn't remember one word of it, let alone any element that would have deeply moved a national radio audience, but this didn't mean that he was shallow or incapable of being touched by philosophical speculations. He'd been so distracted by the erotic perfection of Seraphim's young body and so busy jumping her that he wouldn't have remembered a word, either, if Zedd himself had been sitting on the bed, discussing the human condition with his customary brilliance. ON THE FOLLOWING Tuesday afternoon in Bright Beach, across a sky as black as a witch's cauldron, seagulls flew out of an evil brew toward their safe roosts, and on the land below, humid shadows of the. "Wouldn't dream of asking you to make it a habit. Just this one time. If anguish, why not guilt?" rearview mirror was not hung with one of those tacky decorative deodorizers. The seats, regularly treated with leather soap, were softer and more supple than they had been when the car had shipped out of. "And," Joshua cautioned, "you better prepare for a long day. I'm pretty sure Dr. Chan will want to consult with an oncologist." "I was never Cary Grant, to begin with," said Vanadium, still ceaselessly rolling the quarter across his fingers, "so I had no big emotional investment in my appearance. Cosmetic surgery would have added another year of recuperation time, probably much longer, and I was anxious to get after Cain. Seemed to me this mug of mine might be just the thing to scare him into an incriminating mistake, even a confession." Instead, he sat in the breakfast nook with his phone books and resumed the grueling search for Bartholomew. Because he kept imagining the stealthy sounds of a dead cop rising in vengeance behind him, Junior switched on the radio. He tuned in a station featuring a Top 40 countdown. Earlier, the dirty-sheet clouds had been wrung dry. Now, the trees that overhung the house had finally stopped dripping on the cedar shingled roof. The night was so still that Agnes could hear the sea softly breaking upon the shore more than half a mile away. Such quiet filled the house that Agnes couldn't hear even the murmuring miseries of the past. Junior felt unspeakably violated. This was outrageous: the inarguably personal, very private contents of his stomach, scooped into a plastic evidence bag, without his permission, without even his knowledge. Apparently Maria wished that she'd brought a rosary to dinner. With the fingers of her right hand, she pinched the knuckles of her left, one after the other, as if they were beads. Dinner arrived, and Tom persuaded Celestina and Grace to come to the table for Angel's sake, even if they had no appetite. After so much chaos and confusion, the child needed stability and routine wherever they could be provided. Nothing brought a sense of order and normality to a disordered and distressing day more surely than the gathering of family and friends around a dinner table. One of the paramedics knelt beside the body, checking Naomi for a pulse, although in these circumstances, his action was such a formality that it was almost harebrained. "Oh, that's me, all right. I'm on the FBI's most-wanted list for criminal pie jostling." This declaration was received seriously by Edom and Jacob, as if the devil often strolled the streets of Bright Beach and from time had been known to snatch little babies from their mothers' and eat them with mustard. He paid cash to the locksmith, and included in the payment were the two dimes and the nickel Vanadium had left on his nightstand. Clutching the blanket, she thought of the funerary lap robes that red the legs of the deceased in their caskets, for she felt sometimes cove half dead. Both feet in this world-yet walking beside Joey on a strange road Beyond. With the great tree ninety degrees to his left, he was able to locate the back-porch steps at forty-five degrees. He pointed with the cane, which otherwise he had not used. "The porch?" Briefly, Junior felt humiliated. He wanted to drag the detective out of the car and stomp on his smug, dead face. The first was an ace of hearts. This, Maria said, was a very good card, indeed. It meant that Barty would be lucky in love. St. Mary's social workers did not arrive with dawn, so Celestina was given the privacy of one of their offices, where the wet face of the morning pressed blurrily at the windows, and where she phoned her parents with the terrible news. From here, too, she arranged with a mortician to collect Phimie's body from the cold-storage locker in the hospital morgue, embalm it, and have it flown home to Oregon. "This is most incommensurate," Junior said, recalling the word from a vocabulary-improvement course, without need of ice applied to the genitals. "I want you to adopt the baby." Before they could react, she hurried on: "I won't be twenty-one for four months yet, and even then they might give me trouble about adopting, even though I'm her aunt, because I'm single. But if you adopt her, I'll raise her. I promise I will. I'll take full responsibility. You don't have to worry that I'll regret it or that I'll ever want to drop her in your laps and escape the responsibility. She'll have to be the center of my life from here on. I understand that. I accept it. I embrace it." Still on her knees, she raised the weapon and realized that she was going to shoot the maniac in the back, that she had no other choice, because her inexperience didn't allow her to aim for a leg or an arm. The moral dilemma overwhelmed her, but so did an image of Phimie lying dead in bloody sheets on the surgery table. She pulled the trigger and rocked with the recoil. For a while he enjoyed being challenged to figure the number of seconds elapsed since a particular historical event. Given the date, he did the calculations in his head, providing a correct answer in as little as twenty seconds, rarely taking more than a

minute..When he woke in- the morning, he raised his head from the pillow to look at the alarm clock-and saw the twenty-five cents on his nightstand. Two dimes and a nickel..This graciousness didn't free Paul to speak. Instead, he felt his throat thicken, trapping his voice more tightly still..SERAPHIM AETHIONEMA WHITE was nothing whatsoever like her name, except that she had as kind a heart and as good a soul as any among the hosts in Heaven. She did not have wings, as did the angels after which she had been named, and she couldn't sing as sweetly as the seraphim, either, for she had been blessed with a throaty voice and far too much humility to be a performer. Aethionema were delicate flowers, either pale-or rose-pink, and while this girl, just sixteen, was beautiful by any standard, she was not a delicate soul but a strong one, not likely to be shaken apart in even the highest wind.. "He's not a real contemporary person, not anyone Cain needs to fear. So how did he develop this obsession with finding someone named Bartholomew?" He met Celestina's eyes, as if she might have answers for him. "Is there a real Bartholomew? And how does this tie in with his assault on you? Or is there any tie-in at all?". Flush with the promise of their engagement, still excited by the success at the gallery, with Angel exuberant in spite of the hour and Oreo energized, he was amazed that they had made the transfer of the little red whirlwind from house to Buick to house with nothing else forgotten other than one purse. Celie called it ballet, but Wally thought that it was merely momentary order in chaos, the challenging-joyous-frustrating-delightful-exhilarating chaos of a life full of hope and love and children, which he wouldn't have traded for calm or kingdoms..Junior didn't want an apology. The offer of a free lunch-or an entire week of lunches-didn't charm a smile from him. He had no interest in taking home a free apple pie..The fire department. The firemen could come without sirens, quietly with their ladders, so as not to break Barty's concentration..STILL WEARING HIS white pharmacy smock over a white shirt and black slacks, striding purposefully along the streets of Bright Beach, under a malignant-gray twilight sky worthy of a Weird Tales cover, with ominous accompanying rhythm provided by wind-clattered palm fronds overhead, Paul Damascus headed home for the day..AS THE WULFSTAN PARTY was being seated at a window table, slowly tumbling masses of cottony fog rolled across the black water, as if the bay had awakened and, rising from its bed, had tossed off great mounds of sheets and blankets..AS MEANINGFUL AS Jacob's death had been within the small world of his family, Agnes Lampion never lost sight of the fact that there were more resonant deaths in the larger world before 1968 ended and the Year of the Rooster followed. On the fourth of April, James Earl Ray gunned down Martin Luther King on a motel balcony in Memphis, but the assassin's hopes were foiled when, because of this murder, freedom grew more vigorously from the richness of a in martyr's blood. On June 1, Helen Keller died peacefully at eighty-seven. Blind and deaf since early childhood, mute until her adolescence, Miss Keller led a life of astonishing accomplishment; she learned to speak, to ride horses, to waltz; she graduated cum laude from Radcliffe, an inspiration to millions and a testament to the potential in even the most blighted life. On June 5, Senator Robert F. Kennedy was assassinated in the kitchen of the Ambassador Hotel in Los Angeles. Unknown numbers died when Soviet tanks invaded Czechoslovakia, and hundreds of thousands perished in the final days of the Cultural Revolution in China, many eaten in acts of cannibalism sanctioned by Chairman Mao as acceptable political action. John Steinbeck, novelist, and Tallulah Bankhead, actress, came to the end of their journeys in this world, if not yet in all others. But James Lovell, William Anders, and Frank Borman-the first men to orbit the moon-traveled 250,000 miles into space, and all returned alive.. "Not really. I love you, Mommy." He yawned and dropped into sleep with a quickness that always amazed her. And then everything changed in one stunning moment. Changed profoundly and forever. "He'll just think I'm an incompetent detective. If he comes around wanting his five hundred bucks back, I'll give it to him..Through tears, that night, she asked him if the commitment he was making didn't frighten him..More than once, a passing nurse stopped to check on him and to advise him not to exhaust himself..Jacob cooked corn bread, cheese-and-parsley omelettes, and crisp home fries with a dash of onion salt..He jammed the 9-mm pistol under his belt, grabbed Ichabod by the feet, and dragged him quickly toward the door to Apartment 1. Smears of blood brightened the pale limestone floor in the wake of the body..She owned a public-relations firm specializing in artists, and over dinner she rhapsodized about the work of Jack Lientery. His current series of paintings-emaciated babies against backdrops of ripe fruit and other symbols of plenty-had critics swooning.. "I've got hundreds of files on cases like that," said Jacob, "and much worse. If you're interested, I'll get you copies of some..He felt remarkably well when he arrived home: calm, proud of his quick thinking and stalwart action, pleasantly tired. He hadn't chosen to kill again; this obligation had been thrust on him by fate. Yet he had proven that the boldness he'd shown on the fire tower, rather than being a transient strength, was a deeply rooted quality..This wasn't a new sensation. He had experienced it before. In the night just passed, when he awakened from an unremembered dream and saw the bright quarter dancing across Vanadium's knuckles.. "Could you undo the spell you put on her?". Even as the morning matured, the fog and the rain conspired to bar all but a faint gray daylight from St. Mary's. Shadows flourished..A surprising number of the women who had been his lovers were recreational drug users, and over the past couple years, he had met several dealers who supplied them. From the least savory of these, he purchased five thousand dollars' worth of cocaine and LSD to establish his credibility, after which he inquired about forged documents..buttery sunshine, and emerald-black where the shadows of limbs and leaves overlay it. Fat crows as black as..terrified, the thorns pricking so close to his eyes, green points combing his lashes. He's too weak to resist, disabled..Antihypertensive drugs were administered intravenously, and Phimie was confined to bed, attached to a heart monitor.. "Miss White," he continued, still facing the window, "not long before you arrived in surgery this morning, your sister died on the table. We hadn't delivered the baby yet, and perhaps couldn't have done so, by cesarean, in time to prevent brain damage, so for both the sake of the mother and child, heroic efforts were made to bring Phimie back and ensure continued circulation to the fetus until we could extract it..These would no doubt be cloyingly sentimental paintings of the bastard boy, with impossibly large and limpid eyes, posed cutely with puppies and kittens, pictures better suited for cheap calendars than for gallery walls, and dangerous to the health of diabetics..Celestina intended to capture Nella as she was now, head at rest upon the pillow of, perhaps, her deathbed, eyes closed and mouth slack, face ashen but serene. Then she would draw four more portraits, using bone structure and other physiological evidence to imagine how the woman had looked at sixty, forty, twenty, and ten..Anyway, if Seraphim were still alive, she would be only nineteen now, too young to have graduated from Academy of Art College..She thought all that, but she closed her eyes and said: "I'll be okay. Give me a second here, all right?". Awed, dropping to one knee before Barty, Tom fingered the sleeve of the boy's shirt..They wore out a lot of cards and kept a generous supply of all types of decks on hand..Disbelieving his eyes, Junior reached across his body with his left hand and picked up the quarter. Although it had been lying in his right palm, it was cold. Icy..He used the kitchen phone, at the corner secretary. The blood had been cleaned up long ago, of course, and the minor damage from the ricocheting bullet had been repaired.. "Of all the things I might be meant to do with my life," he told Agnes, "I

believe nothing will matter more than the small part I've had in bringing together these two children." Agnes meant to stop Maria from turning the eleventh card, but her curiosity was equal to her apprehension..Even the Shantung-softened lamplight blazed too bright and did not serve her well, so she switched it off and said, "Scoot over." He wasn't a marksman, anyway. He couldn't handle anything more than close-up work..She poured cold milk and drank it quickly. As she was rinsing the empty glass, she felt as if she might throw up, but she didn't..Sunday morning, when Agnes returned from church, Edom and Jacob joined her for lunch. During the afternoon, Jacob helped her bake seven pies for Monday delivery..As she commented on each masterpiece, Frieda grew steadily less coherent. She had drunk a few cocktails, the better part of a bottle of Cabernet Sauvignon, and two after-dinner brandies..Finally, only thirty miles south of Spruce Hills, he reluctantly acknowledged that slow deep breathing, positive thoughts, high self esteem, and firm resolve weren't sufficient to subdue his treacherous bowels. He needed to find lodging for the night. He didn't care about a swimming pool or a king-size bed, or a free continental breakfast. The only amenity that mattered was indoor plumbing..Worse than the tenderness in the bones, the bleeding gums, the headaches, the ugly bruises, worse than the anemia-related weariness and the spells of breathlessness, was the suffering that her battle caused to those whom she loved. More frequently as the days passed, they were unable to conceal their worry and their sorrow. She held their hands when they trembled. She asked them to pray with her when they expressed anger that this should happen to her-of all people, to her, and she wouldn't let them go until the anger was gone. More than once, she pulled sweet Angel into her lap, stroked her hair, and soothed her with talk of all the good times shared in better days. And always Barty, watching over her in his blindness, aware that she would not be dying in all the places where she was, but taking no consolation from the fact that she would continue to exist in other worlds where he could never again be at her side..Those words, in a vertiginous spiral, spooled through the memory tapes in Junior's mind, as clear and powerfully affecting-and every bit as alarming-as the memory flash of the ordeal in the Dumpster. He couldn't recall where he'd heard them, who had spoken them, but revelation trembled tantalizingly along the rim of his mind..He was in the kitchen at 11:20, spreading frosting on a large chocolate sheet cake while the reverend expertly frosted a coconut-layer job..JUNIOR CAIN WANDERED among the Philistines, in the gray land of conformity, seeking one-just one-refreshingly repellent canvas, finding only images that welcomed and even charmed, yearning for real art and the vicious emotional whirlpool of despair and disgust that it evoked, finding instead only themes of uplift and images of hope, surrounded by people who seemed to like everything from the paintings to the canapes to the cold January night, people who probably hadn't spent even one day of their lives brooding about the inevitability of nuclear annihilation before the end of this decade, people who smiled too much to be genuine intellectuals, and he felt more alone and threatened than eyeless Samson chained in Gaza..Happy weekend. His attitude amazed her, and his strength in the face of darkness gave her courage..He was a pretty good detective, but as regarded the minutiae of daily life, he wasn't as organized as he would like to be. He never remembered to set aside his holey socks for darning; and once he had worn a hat with a bullet hole in it for nearly a year before he'd at last thought to buy a new one.
