"She lay beside her boy in the darkness, gazing at the covered window, where the faint glow of the moon pressed through the blind, suggesting another world thriving with strange life just beyond a thin membrane of light.. As if a door had briefly opened between this windless day and another world, a single gust rattled rain against the windows.. The air was spicy with incense and with the fragrance of the lemon oil polish used on the wooden pews.. Avoiding the graveled driveway, on which he was more likely to scuff his freshly polished loafers, he approached the house across the lawn, beneath the moon-sifting branches of a great pine that made itself useless for Christmas by spreading as majestically as an oak.. Junior worried that he might not locate the correct Dumpster among the many. Yet he didn't switch on the flashlight, suspecting that he would be better able to find his way if the conditions of darkness and fog were exactly as they had been earlier. In fact, this proved to be the case, and he instantly recognized the hulking Dumpster when he came upon it.. The night that followed might as well have been a night in Hell, though a hell in which Satan provided an electrolytically balanced beverage.. The voice had come not from the armchair in the corner, but from immediately beside the bed.. In the passenger's seat, Barty was cushioned in his mother's arms. At times, the boy cooed or gurgled, or made a wet chording sound.. He also concluded arrangements to open an account for Gammoner in a Grand Cayman Island bank and one for Pinchbeck in Switzerland.. He intended to mash the sole of Victoria's right shoe in the pat of butter and leave a long smear on the floor, as though she slipped on it and fell toward the ovens.. In the kitchen, Barty sat at the table, and Paul's heart pinched at the sight of the boy in padded eyepatches.
