Ofcourse the advantages to get can connect that you are reading. And these days, we'll trouble you touse analyzing **Available The Ila Speaking Peoples Of Northern Rhodesia V1 LRF** as among the stuff to complete. And when she had made an end of her song, she wept sore..When Merjaneh had made an end of her song, the prince said to her, "Well done, O damsel! Indeed, thou sayest a thing that had occurred to my mind and my tongue was like to speak it." Then he signed to the fourth damsel, who was a Cairene, by name Sitt el Husn, and bade her tune her lute and sing to him upon the [same] subject. So she tuned her lute and sang the following

verses: Until they left my heart on fire without allay. When Tuhfeh heard this, she fell to weeping and wailing and said, 'By Allah, nought irketh me save separation from my lord Er Reshid; but, when I am dead, let the world be ruined after me.' And she doubted not in herself but that she was lost without recourse. Then Meimoun set forth with his army and departed in quest of the hosts [of the Jinn], leaving none in the palace save his daughter Jemreh and Tuhfeh and an Afrit who was dear unto him. They fared on till they met with the army of Es Shisban; and when the two hosts came face to face, they fell upon each other and fought a passing sore battle. After awhile, Es Shisban's troops began to give back, and when Meimoun saw them do thus, he despised them and made sure of victory over them. Accordingly, Shefikeh went out and repairing to the nurse's house, found her clad in apparel other (100) than that which she had been wont to wear aforetime. So she saluted her and said to her, "Whence hadst thou this dress, than which there is no goodlier?" "O Shefikeh," answered the nurse, "thou deemest that I have gotten (101) no good save of thy mistress; but, by Allah, had I endeavoured for her destruction, I had done [that which was my right], for that she did with me what thou knowest (102) and bade the eunuch beat me, without offence of me committed; wherefore do thou tell her that he, on whose behalf I bestirred myself with her, hath made me quit of her and her humours, for that he hath clad me in this habit and given me two hundred and fifty dinars and promised me the like thereof every year and charged me serve none of the folk." 43. The Man of Yemen and his six Slave-girls cccxxiv. i The Ninth Officer's Story dccccxxviii. Therewithal, O my brother, the locust fell to going round about among the company of the birds, but saw nought resembling the hawk in bulk and body save the kite and deemed well of her. So she brought the hawk and the kite together and counselled the former to make friends with the latter. Now it chanced that the hawk fell sick and the kite abode with him a long while [and tended him] till he recovered and became whole and strong; wherefore he thanked her [and she departed from him]. But after awhile the hawk's sickness returned to him and he needed the kite's succour. So the locust went out from him and was absent from him a day, after which she returned to him with a [nother] locust, (53) saying, "I have brought thee this one." When the hawk saw her, he said, "God requite thee with good! Indeed, thou hast done well in the quest and hast been subtle in the choice." Like a sun at the end of a cane in a hill of sand, She shines in a dress of the hue of pomegranate flower. Then said Queen Es Shuhba, 'By Allah, O Sheikh, my sister Tuhfeh is indeed unique among the folk of her time, and I hear that she singeth upon all sweet-scented flowers.' 'Yes, O my lady,' answered Iblis, 'and I am in the uttermost of wonderment thereat. But there remaineth somewhat of sweet-scented flowers, that she hath not besung, such as the myrtle and the tuberose and the jessamine and the moss-rose and the like.' Then he signed to her to sing upon the rest of the flowers, that Queen Es Shuhba might hear, and she said, 'Hearkening and obedience.' So she took the lute and played thereon in many modes, then returned to the first mode and sang the following verses: There was once, in a province of Persia, a king of the kings, who was mighty of estate, endowed with majesty and veneration and having troops and guards at his command; but he was childless. Towards the end of his life, his Lord vouchsafed him a male child, and the boy grew up and was comely and learned all manner of knowledge. He made him a private place, to wit, a lofty palace, builded with coloured marbles and [adorned with] jewels and paintings. When the prince entered the palace, he saw in its ceiling the picture [of a woman], than whom he had never beheld a fairer of aspect, and she was compassed about with slave-girls; whereupon he fell down in a swoon and became distraught for love of her. Then he sat under the picture, till, one day, his father came in to him and finding him wasted of body and changed of colour, by reason of his [continual] looking on that picture, thought that he was ill and sent for the sages and physicians, that they might medicine him. Moreover, he said to one of his boon-companions, 'If thou canst learn what aileth my son, thou shalt have of me largesse.' So the courtier went in to the prince and spoke him fair and cajoled him, till he confessed to him that his malady was caused by the picture. Then he returned to the king and told him what ailed his son, whereupon he transported the prince to another palace and made his former lodging the guest-house; and whosoever of the Arabs was entertained therein, he questioned of the picture, but none could give him tidings thereof. The Khalif and the Lady Zubeideh laughed and returned to the palace; and he gave Aboulhusn the thousand dinars, saying, "Take them as a thank-offering for thy preservation from death," whilst the princess did the like with Nuzhet el Fuad. Moreover, the Khalif increased Aboulhusn in his stipends and allowances, and he [and his wife] ceased not [to live] in joy and contentment, till there came to them the Destroyer of Delights and Sunderer of Companies, he who layeth waste the palaces and peopleth the tombs. "O elder," added she, "if Muslims and Jews and Nazarenes drink wine, who are we [that we should abstain from it]?" "By Allah, O my lady," answered he, "spare thine endeavour, for this is a thing to which I will not hearken." When she knew that he would not consent to her desire, she said to him, "O elder, I am of the slave-girls of the Commander of the Faithful and the food waxeth on me (34) and if I drink not, I shall perish, (35) nor wilt thou be assured against the issue of my affair. As for me, I am quit of blame towards thee, for that I have made myself known to thee and have bidden thee beware of the wrath of the Commander of the Faithful." c. Abou Sabir cccclxviii. I went out one night to the house of one of my friends and when it was the middle of the night, I sallied forth alone [to go home]. When I came into the road, I espied a sort of thieves and they saw me, whereupon my spittle dried up; but I feigned myself drunken and staggered from side to side, crying out and saying, "I am drunken." And I went up to the walls right and left and made as if I saw not the thieves, who followed me till I reached my house and knocked at the door, when they went away. Then she arose and going in to the king, found him with his head between his knees, and he lamenting. So she sat down by him awhile and bespoke him with soft words and said to him, 'Indeed, O my son, thou consumest mine entrails, for that these [many] days thou hast not mounted to horse, and thou lamentest and I know not what aileth thee.' 'O my mother,' answered he, '[this my chagrin] is due to yonder accursed woman, of whom I still deemed well and who hath done thus and thus.' Then he related to her the whole story from first to last, and she said to him, 'This thy concern is on account of a worthless woman.' Quoth he, 'I was but considering by what death I should slay them, so the folk may [be admonished by their fate and] repent.' And she said, 'O my son, beware of haste, for it engendereth repentance and the slaying of them will not escape [thee]. When thou art assured of this affair, do what thou wilt.' 'O my mother,' rejoined he; 'there needeth no assurance concerning him for whom she despatched her eunuch and he fetched him.' 160. The Ruined Man of Baghdad and his Slave-girl cccxcvi. There was once aforetime a chief officer [of police] and there passed by him one day a Jew, with a basket in his hand, wherein were five thousand dinars; whereupon quoth the officer to one of his slaves, "Canst thou make shift to take that money from yonder Jew's basket?" "Yes," answered he, nor did he tarry beyond the next day before he came to his master, with the basket in his hand. So (quoth the officer) I said to him, "Go, bury it in such a place." So he went and buried it and returned and told me. Hardly had he done this when there arose a clamour and up came the Jew, with one of the king's officers, avouching that the money belonged to the Sultan and that he looked to none but us

for it. We demanded of him three days' delay, as of wont, and I said to him who had taken the money, "Go and lay somewhat in the Jew's house, that shall occupy him with himself." So he went and played a fine trick, to wit, he laid in a basket a dead woman's hand, painted [with henna] and having a gold seal- ring on one of the fingers, and buried the basket under a flagstone in the Jew's house. Then came we and searched and found the basket, whereupon we straightway clapped the Jew in irons for the murder of a woman..66. El Mutelemmis and his Wife Umeimeh ccclxxxv. Then said Selim to his sister, 'Know that I am resolved to slay yonder man, if he return this next night, and I will say to the folk, "He was a thief," and none shall know that which hath befallen. Moreover, I will address myself to the slaughter of whosoever knoweth that which is between yonder fellow and my mother.' But Selma said, 'I fear lest, if thou slay him in our dwelling-place and he savour not of robberhood, (69) suspicion will revert upon ourselves, and we cannot be assured but that he belongeth unto folk whose mischief is to be feared and their hostility dreaded, (70) and thus wilt thou have fled from privy shame to open shame and abiding public dishonour.' 'How then deemest thou we should do?' asked Selim and she said, 'Is there nothing for it but to slay him? Let us not hasten unto slaughter, for that the slaughter of a soul without just cause is a grave [matter].'. When the king heard their speech, he bade the crier make proclamation in the thoroughfares of the city that the troops should prepare [for the march] and that the horsemen should mount and the footmen come forth; nor was it but the twinkling of the eye ere the drums beat and the trumpets sounded; and scarce was the forenoon of the day passed when the city was blocked with horse and foot. So the king passed them in review and behold, they were four-and-twenty thousand in number, horsemen and footmen. He bade them go forth to the enemy and gave the commandment over them to Said ibn el Wakidi, a doughty cavalier and a valiant man of war. So the horsemen set out and fared on along the bank of the Tigris..? ? ? ? O skinker of the vine-juice, let the cup 'twixt us go round, For in its drinking is my hope and all I hold most dear..? ? ? ? A damsel made for love and decked with subtle grace; Thou'dst deem the very sun had borrowed from her face..? ? ? ? "How call'st thou this thy dress?" quoth we, and she replied A word wherein the wise a lesson well might trace. The head wept exceeding sore and said, 'O my lady, indeed thou hast solaced my heart, and I have nought but my life; so take it.' Quoth she, 'An I but knew that thou wouldst bring me news of my lord Er Reshid, it were liefer to me than the empery of the world.' And the head answered her, saying, 'It shall be done as thou desirest.' Then it disappeared and returning to her at the last of the night, said, 'Know, O my lady, that I have been to thy palace and have questioned one of the haunters thereof of the case of the Commander of the Faithful and that which befell him after thee; and he said, "When the Commander of the Faithful came to Tuhfeh's lodging and found her not and saw no sign of her, he buffeted his face and head and rent his clothes. Now there was in thy lodging the eunuch, the chief of thy household, and he cried out at him, saying, 'Bring me Jaafer the Barmecide and his father and brother forthright.' The eunuch went out, confounded in his wit for fear of the Commander of the Faithful, and whenas he came to Jaafer, he said to him, 'Come to the Commander of the Faithful, thou and thy father and brother.' So they arose in haste and betaking themselves to the Khalif's presence, said to him, 'O Commander of the Faithful, what is to do?' Quoth he, 'There is that to do which overpasseth description. Know that I locked the door and taking the key with me, betook myself to the daughter of mine uncle, with whom I lay the night; but, when I arose in the morning and came and opened the door, I found no sign of Tuhfeh.' 'O Commander of the Faithful,' rejoined Jaafer, 'have patience, for that the damsel hath been snatched away, and needs must she return, seeing she took the lute with her, and it is her [own] lute. The Jinn have assuredly carried her off and we trust in God the Most High that she will return.' Quoth the Khalif, 'This (221) is a thing that may nowise be' And he abode in her lodging, eating not neither drinking, what while the Barmecides besought him to go forth to the folk; and he weepeth and abideth on this wise till she shall return." This, then, is that which hath betided him after thee.'61. Musab ben ez Zubeir and Aaisheh his Wife dcxlix. THE TWO KINGS AND THE VIZIER'S DAUGHTERS. (154). Abdulmelik ben Salih the Abbaside, Jaafer ben Yehya, and, i. 183.. Moreover, King Shehriyar summoned chroniclers and copyists and bade them write all that had betided him with his wife, first and last; so they wrote this and named it "The Stories of the Thousand Nights and One Night." The book came to (195) thirty volumes and these the king laid up in his treasury. Then the two kings abode with their wives in all delight and solace of life, for that indeed God the Most High had changed their mourning into joyance; and on this wise they continued till there took them the Destroyer of Delights and Sunderer of Companies, he who maketh void the dwelling-places and peopleth the tombs, and they were translated to the mercy of God the Most High; their houses were laid waste and their palaces ruined and the kings inherited their riches..? ? ? ? And when my feet trod earth, "Art slain, that we should fear," Quoth they, "or live, that we may hope again thy sight?". Then the king assembled his nobles and commons and the astrologers and said to them, 'Know that what God hath graven upon the forehead, be it fair fortune or calamity, none may avail to efface, and all that is decreed unto a man he must needs abide. Indeed, this my caretaking and my endeavour profited me nought, for that which God decreed unto my son, he hath abidden and that which He decreed unto me hath betided me. Nevertheless, I praise God and thank Him for that this was at my son's hand and not at the hand of another, and praised be He for that the kingship is come to my son!' And he strained the youth to his breast and embraced him and kissed him, saying, 'O my son, this matter was on such a wise, and of my care and watchfulness over thee from destiny, I lodged thee in that pit; but caretaking availed not.' Then he took the crown of the kingship and set it on his son's head and caused the folk and the people swear fealty to him and commended the subjects to his care and enjoined him to justice and equity. And he took leave of him that night and died and his son reigned in his stead.
