Eve's words about brainwashing came back to him. Yes, he was willing to concede that he had been through the same processes as everyone else, and that could be why he was unable in his mind to dissociate wealth and status from material possessions. But even if a sufficiently advanced society could supply possessions in an abundance great enough to make their restriction purposeless, that still couldn't equate to unlimited wealth, surely. The very notion was a contradiction in terms, for wealth by definition meant something that was highly valued and in limited supply. In other words, if on Chiron possessions did not equate to wealth and thereby satisfy the universal human hunger to be judged a success, then what did? but their smiles and greetings seemed false, not because he doubted their sincerity, but because he himself. Geneva had risen from her chair to fetch the pot from the Mr. Coffee machine. She poured a refill for. The suggestion had served its purpose. Stern was watching Kalens curiously, and Marcia Quarrey was looking across the table with new respect. Farnhill shuffled his feet uncomfortably. "I don't know. "You look as if you might know something about it," Lesley said to Colman. "Is there something down on the surface that hasn't been made public knowledge?" He turned right and, within another block and a half, arrived at a tavern. Here he might not be able to. "Fine." Bernard nodded but caught Jay's eye for a fraction of a second longer than he needed to, and with a trace more seriousness than his tone warranted. members who had been absent had returned for the occasion, and the only seats left vacant were those of the Deputy Mission Director, the Director of Liaison, the Commanding General Special Duty Force, and two others who had chosen to throw in their lot with Stern. Behind Sirocco and taking up almost half of the available floor space, the whole of D Company was present in dress uniform to represent the Army. Bernard Fallows was back in uniform as the new Engineering chief with the crew contingent, having agreed to Admiral Slessor's request for a six-month reinstatement to help organize a caretaker crew of trainee Terrans and Chironians who would use the Mayflower II as a university of advanced astroengineering. Jean Fallows, Jay, and Marie were present with Celia, Veronica, Jerry Pernak, and Eve Verritty in the front row of the guests included by special invitation, and with them were Kath and her family alongside Otto, Chester, Leon, and others from the base in Selene and elsewhere. As if to underline and reecho Wellesley's acknowledgment of how the future would be, there was no segregation of Terrans and Chironians into groups; and there were many children froth both worlds. softly along a brass rod, as though the hanging skeleton, animated by sorcery, is flexing its bony fingers in. "On the contrary, Mr. Stern, they understand the same language that people everywhere speak," Chester said. "We will deal with them in the same way that we have already dealt with you."
