"Singing time is over, son," he said. "You must. My place, then. It isn't worth taking a gleeder. It's nearby." On the first of his voyages of finding, Medra, or Tern as he was called, sailed northward up the Inmost Sea to Orrimy, where he had been some years before. There were people of the Hand there whom he trusted. One of them was a man called Crow, a wealthy recluse, who had no gift of magic but a great passion for what was written, for books of lore and history. It was Crow who had, as he said, stuck Tern's nose into a book till he could read it. "Illiterate wizards are the curse of Earthsea!" he cried. "Ignorant power is a bane!" Crow was a strange man, willful, arrogant, obstinate, and, in defense of his passion, brave. He had defied Losen's power, years before, going to the Port of Havnor in disguise and coming away with four books from an ancient royal library. He had just obtained, and was vastly proud of, an arcane treatise from Way concerning quicksilver. "Got that from under Losen's nose too," he said to Tern. "Come have a look at it! It belonged to a famous wizard." opened, I began walking. lights. No infor. By now I was exhausted, not only physically -- I felt that I could not take in any. around the brewer's booth. He was so distraught that when he made up his mind to call Silence he could not think of the opening of the spell, which he had known for sixty years; then when he thought he had it, he began to speak a Summoning instead, and the spell had begun to work before he realised what he was doing and stopped and undid it word by word. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and. He heard behind him the next tune start up, the viol alone, strong and sad as a tenor voice: "Where My Love Is Going." I am doing the wrong, I am the ill, Irioth thought. He stopped the spell words in his mouth. I felt a little like laughing, but mainly I was nonplused. I quickly turned around: another. The daughter of "the wise king Thoreg" rescued Erreth-Akbe from this trance or imprisoning spell and restored him his strength. He gave her the half of the Ring of Peace that remained to him. (From her it passed through her descendants for over five hundred years to the last heirs of Thoreg, a brother and sister exiled on a deserted island of the East Reach; and the sister gave it to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is, into the Great Treasury of the Tombs of Atuan. (There Ged found it, and rejoining the two halves and with them the lost Rune of Peace, he and Tenar brought the Ring home to Havnor.) Archmage, here, in the Grove, as always. A distant voice resounded like the horn of a postilion, four. She said, "Beyond the west." She never went into the Grove without him, and it was many days before he left her alone within it. But one hot afternoon when they came to a glade among a stand of oaks, he said, "I will come back here, eh?" and walked off with his quick, silent step, lost almost at once in the dappled, shifting depths of the forest. He looked stern. The dragon bore him away. ".it? You learn what you're doing while you do it. No chance to practice. "Ah-there! You feel that?". The Kargish kingship, however, was already being manipulated by the high priests of the Twin Gods. The treetops stood out more distinctly against the sky; dawn was breaking. The master yawned and cursed and began to shout commands. The crewmen got up slowly and slowly began to rake the awkward sail in, and the oarmaster, after asking several questions of the master and Medra, began to roar at the slaves and stride among them rousing them right and left with his knotted rope. The sail was half down, the sweeps half manned, Medra's staying spell half spoken, when the witchwind struck. "They do, they do," Tuly said. "Everything is hooked together, tangled up!". He came through the halls and stone corridors to the inmost place, the marble-paved courtyard of the fountain, where the tree Elehal had planted now stood tall, its berries reddening. "The solution lies in secrecy," said Medra. "But so does the problem." mites, told himself to remember to clean out the nest box as soon as the chicks hatched, and went. "Right over there." She pointed to an unoccupied elevation with black-and-silver-striped. Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance.
