When Medra took her hand his hand shook, and Ember, whose name was Elehal,.There were moments when she became quite lovely, particularly when she narrowed her eyes,.Dulse considered himself a wordy, impatient man with a short temper. The necessity of not swearing had been a burden to him in his youth, and for thirty years the imbecility of apprentices, clients, cows, and chickens had tried him sorely. Apprentices and clients were afraid of his tongue, though cows and chickens paid no attention to his outbursts. He had never been angry at Silence before. There was a very long pause..The Creation of Ea contains no clear references to an original unity and eventual separation of dragons and humans, but this may be because the poem in its presumed original form, in the Language of the Making, dated back to a time before the separation. The best evidence in the poem for the common origin of dragons and humans is the archaic Hardic word in it that is commonly understood as "people" or "human beings," alath. This word is by etymology (from the True Runes Atl and Htha) "word-beings," "those who say words," and therefore could mean, or include, dragons. Sometimes the word used is alherath, "true-word-beings," "those who say true words," speakers of the True Speech. This could mean human wizards, or dragons, or both. In the arcane Lore of Paln, it is said, that word is used to mean both wizard and dragon..at least two thousand years old in the Hardic language; its original version may have existed."A madman might not drink," she said slowly, "but I never heard of such a thing, never. ..Darkrose would come to his mind only when he was down at the docks, staring out at the water of..pleasure or ease. But they learned from each other, and came through shame and fear into passion..runes. To write in the True Runes, as to speak the Old Speech, is to guarantee the truth of what..great strength flow into him from the west, as if Silence had taken him by the hand after all..Havnor Great Port, Roke has remained without an archmage.
