Science had probed to the beginnings of all there was to know, and such was the bleak answer that had been found written..first shots were fired in the kitchen.."Sorry to hear that." The house around her was another part of it. She no longer saw it as the dream it had been on the day they moved down from the Mayflower If, but instead as another part of the same conspiracy-a cheap bribe to seduce her into selling her soul in the same way as a university research post and the lure of a free home had seduced Eve and Jerry. Chiron didn't want to let her be. It wanted her to be like it. "Stay there, Bret, and don't let anyone touch anything. I'll get onto Brigade right away. We'll have some more people over there in a few minutes." He returned to Colman.
